

## Safety Directors Forum

Led by HAI's Safety Committee, this session will cover important safety-related issues relevant to all safety managers and directors of operations. Topics will include new potential synthetic-vision technology for helicopters, a review of 2012's accident statistics, an update on HAI's Accreditation Program of Safety, and discussion on pressing issues for safety directors. Attendees are encouraged to participate in the discussion and ask questions.

**Directions:** North Hall, Room N119.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
